

Update: iPad giveaway, speaking engagements, registration deadline

Join The Cram Group at The Meridian 2010 User Conference in Washington DC.

We will be giving away an iPad to one lucky person that visits our booth. Visit us at Booth #7 for live demonstrations of our Prolog based solutions and other technologies focused on the construction industry. We will stamp your visitor card so you are eligible for the drawing to win.

Our booth gets pretty busy, so if you would like to plan a demo or discussion with one of our solution engineers in advance, please give us a call at 212-505-0381 or contact us through our website. Click here to submit an inquiry.

We will be presenting during the following sessions:

- General Session: TCG and several customers will be speaking about Prolog Converge & Office Business Applications in the general session. Tuesday Morning.
- Dueling Cloud Solutions: Hensel Phelps & Torcon discuss Prolog Centric deployments using ProjectXnet. Track Session #4, Tuesday, May 25.
- Prolog Converge: There's an App for That. Track Session #6, Wednesday, May 26.
