The OBA Store update: new Drawings & Specs OBAs are now available

The OBA Store is the Online Source for Microsoft Office Business Applications (OBAs) that work with Prolog. We have OBAs for every feature supported by Prolog including RFI's, Submittals, Punch List & Company Setup. We have come up with two new OBAs for Drawings & Specifications and Drawing Packages from Prolog based applications.

Drawings & Specifications and Drawing Packages

Total OBAs: 24 | Doc Control: 10 | Field Admin: 10 | Admin: 4
