The OBA Store update: new Report Builder OBAs is now available

The new Report Builder OBA allows users to query any information from Prolog features including Cost Control, Document Control, & Field Admin. In addition, existing queries in Prolog can be used as presets. This information can then be manipulated using standard Microsoft Excel charting tools. The OBA can be saved, and easily refreshed at any time.

Report Builder OBA Preview

Total OBAs: 28 | Doc Control: 12 | Field Admin: 10 | Admin: 4 | Reporting: 2

About The OBA Store

TheOBASore is the leading online source for Microsoft Office Business Applications (OBAs) that work with Prolog Converge. Customers of TheOBASore have access to services for development of customizations or completely new OBAs. All services are backed by the award winning teams at The Cram Group, also a Microsoft and Meridian Systems Gold Partner.
