

## HITT Launches New Intranet

HITT Contracting and The Cram Group worked together to create a unique Intranet site driven by powerful document management software from Columbia Soft. The Intranet enables HITT to maintain a secure, centralized information portal used by more than 600 users.

### About HITT Contracting Inc.:

Founded in 1937, HITT Contracting has grown to be ranked among today's 100 Largest General Contractors nationwide, with offices in Washington, D.C., Atlanta, Charleston, Miami and Baltimore. HITT's client-focused teams fulfill any program need from a doorknob change to base building shells and complete tenant/owner fit-outs. Companywide, HITT maintains over 600 employees, including a 325-member, skilled in-house field force available 24/7 to support clients long after initial occupancy. The HITT way for quality and excellence defines the core mission and structure. Teams are organized into expert market sector divisions, specializing in corporate base building and interiors, government, law firms, institutional, major projects and healthcare. Complementing these market sector teams are the Paint and Service, Preconstruction, and Subcontractor Relations divisions. For more information, please visit <http://www.hitt-gc.com>

### Some immediate benefits to HITT are:

- Every HITT employee has real-time access to the latest versions of files from one central location.
- Department heads publish news, events and documents from their original working location.
- Content, security and versions are managed with NO extra effort, and NO extra copies.
- All users can leverage full text searching across all content with one click.
- Power users can leverage the same robust document management functionality for all their electronic files.
